

SPRINKLER OPTION NOTIFICATION

Welcome to Howard County.

Howard County Department of Fire & Rescue recommends that you have your new home protected with an approved residential sprinkler system in the interest of the life safety of its occupants and to provide a potential property savings in case of fire.

The Howard County Code requires that all builders offer sprinklers as an option in new residences.

I have received the informational packet provided by Howard County Department of Fire and Rescue, and

_____ Yes I/We are having our new residence protected with a sprinkler system.

_____ No I do not want my home protected with a sprinkler system.

Property Location _____

Date _____

Builder _____

Address _____

New Owner Signature

Printed Name
